

Now You See It, Now You Don't

Now You See It, Now You Don't

With the wave of a hand
In the wink of an eye
It will come from a blue everyday sky
Don't try so hard
To understand
Let it go free
These are the things
We weren't meant to hold in our hand
Not of the earth like you and I

Now you see it
Now you don't
First you will
And then you won't
It may seem to disappear
Into thin air
But it's there
Now you see it
Now you don't
